Group Outings

The Trip We Enjoy Most

The trip we enjoy running the most is Group Outings on any of our favorite waters. From four people to twenty-four, we can provide a day your group will never forget. This trip is one we've perfected over the years with clients varying from Toyota International to Jeld-Wen Windows and Doors to Deschutes Brewery. The most important aspect of this adventure is that none of the guests need equipment, or even any fly-fishing experience! We will provide everyone in your group with fitted, lightweight waders and boots as well as all the rods and reels needed for the day. And we specialize in taking the complete beginner and making the day educational and enjoyable. .

An Adventure for everyone

Whether you're planning a trip for a family reunion, an annual gathering of friends from various locations, honoring a special occasion like an anniversary or upcoming wedding, or maybe you'd like to reward your hardest working employees or impress prospective clients, we have a trip that will create bonding moments and memories, all out amongst some of the most beautiful scenery anywhere in the world. Countless times over the years we've watched groups of people from disparate locales arrive, with completely varied expectations, share experiences that will bring them closer for years to come. Of the many rewarding parts of our job, that might be the coolest to share with our clients on Group Trips.

Trip Options

Day Trips

A Day of Pampered Enjoyment

Your group trip will be comprehensively catered to from the moment you book the trip. With the group leader's help we will gather the necessary personal information from each participant to produce a fishing license, any other permits and boater's pass for the trip, we will pull Simms and Patagonia waders and boots to fit them perfectly and prepare a menu to everyone's liking. Our guides will get to work selecting flies for the day and preparing their coolers with the requested non-alcoholic beverages. The group leader and guests are more than welcome to bring any and all "adult" drinks! For lunch prepare yourself to be impressed. We serve delicious, multi-course meals at comfortable tables alongside the river or lake that will blow you away. One of our mottos is to control the control-ables and that certainly pertains to meals. We pride ourselves on impressing with our food service no matter what else nature throws at us.

Overnight Trips

The Absolute Ultimate Group Adventure

The trip that we promote and produce with the most gusto of all is the overnight Deschutes River or Cascade Lakes Group Adventure. Whether you only have a couple days, a three-day weekend, or four full days to disappear, this is the trip that provides completely uninterrupted time to spend with the people you enjoy the most or want to get to know better. If you're trying to impress prospective clients, reward prized employees and co-workers, reacquaint with friends and family members, or celebrate an occasion, there is no better way to do it. Our camps are deluxe from top to bottom. We have roomy, comfortable tents. Sleeping cots with pads. An amazing kitchen from which we'll serve meals that will astound even the experienced camper. Every part of trip is taken care of for the guests, whose only job will be to enjoy every precious minute of the adventure. And as with all our Group Trips, all equipment is supplied and no one in the group has to be an accomplished angler!

+ Transportation

If your group needs transportation we can arrange door-to-door service for you, no matter the number of guests. Whether from a hotel or other rental, we can get you picked up and dropped off at the end of the day. We want this to be the least stressful trip you've ever been on. So let us get a van (or three!) to shuttle you. We can have this service provided the day before when you come by to get fitted in waders and boots as well. For that matter, just let us know what your transportation need are and we will make sure you're taken care of. We have relationships with friendly and reliable services around the area. It's just a phone call away.

+ Lodging

If your group is looking for lodging, we can refer you to several hotels and resorts in the area where we usually get a preferred rate. We also know more about the local eateries than most! So if you need recommendations on where to eat before and/or after your trip with us, just ask.

+ Professional Photography

If your adventure is one of those events you want professionally documented with pictures and video, we also offer a service for that. We have a brilliant photographer who will be on the river or lake with you all day, making sure every wonderful part of your trip is recorded to be treasured and shared for many years to come.

All-Inclusive Pricing

Nobody else in our region has the experience, staff and equipment to offer this adventure for large groups. This has allowed us to create a detailed, all-inclusive pricing schedule for trips to any of our local fisheries. Regardless of whether you choose to fish the Lower Deschutes, one of our Cascade Lakes, a little spring creek, the stunning Upper Deschutes or the famous Crooked River, what's included in the price will be the same: EVERYTHING!! All you'll need to do is arrive, and maybe bring a six-pack, as we've been told by perfectly reliable sources that a cold beer goes nicely with a day of fishing! We will provide you with a fishing license, well-fitted waders and boots, rods and reels, flies, leader, permits, boater's pass, transportation from our agreed upon meeting place, a skilled and patient guide, and a day you'll never forget.

For Overnight Group Outings (2, 3, or 4 days, max 12, 2 per boat)
2:1 ratio \$600 per person per day

For Lower Deschutes River Group Outings (no max, 2 or 3 per boat)
2:1 ratio \$700 (per boat)
3:1 ratio \$785 (per boat)

For Cascade Lakes Group Outings (9 person max, 2 or 3 per boat)
2:1 ratio \$700 (per boat)
3:1 ratio \$785 (per boat)

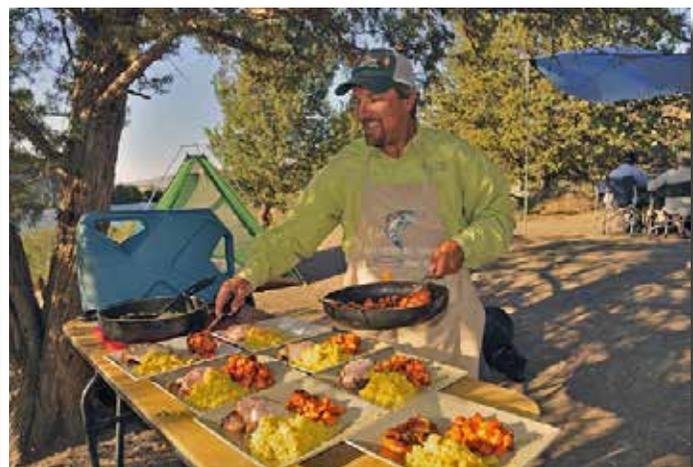

For Upper Deschutes & Fall River Group Outings (up to 4 clients per guide)
Half-Day
2:1 ratio \$400 (per guide)

Full-Day Walk and Wade
2:1ratio \$500 (per guide)
3:1 ratio \$600 (per guide)
4:1 ratio \$650 (per guide)

Please contact us with any other questions and we will take care of the rest. See you out there!
